

DOCUMENT HOLDER**I. Description**

Static Technologies DH-8510 is a high quality static dissipative document holder suitable for paperwork that passes through ESD controlled areas. These top loading sheet protectors have holes for three ring binders. The transparent DH-8510 accepts 8-1/2" x 11" sheets. A yellow stripe along the edge is marked to designate the document holders as static safe.

ENVIRONMENTALLY FRIENDLY - DH-8510 document holders are made from recycled polypropylene. Polypropylene is recommended over vinyl for document holders to prevent photocopy transfer and eliminate paper sticking to the holder. Sold 100 pieces per box.

II. Specifications
